ABSTRACT.

Petrs paid off all arrears of ~~Cudgeon~~ Jodee by means of Subscriptions raised by them this year. They are trying their best to pay the Jodee amount - due for this year. The Taluk authorities demand interest on the 4th or instalment - due for December 1878. A rule has been published in the Gazette to the effect - that Inamdars should get their title-deeds Inamjeid before the end of December 1878. a certain amount of fine being imposed on those who disobey the rule. They are hardly in a position to maintain themselves. Under so how can they pay the Nuzur only now? So they pray that they may be

abundant to clear the Indebtedness for 1878/79 by legislative enactments, that interest may not be demanded by the Federal authorities, and that a year's time from October 1st be given to obtain confirmation of deeds of sales. Otherwise the Federal authorities may attach and sell the Debtors' property and bring loss upon them.

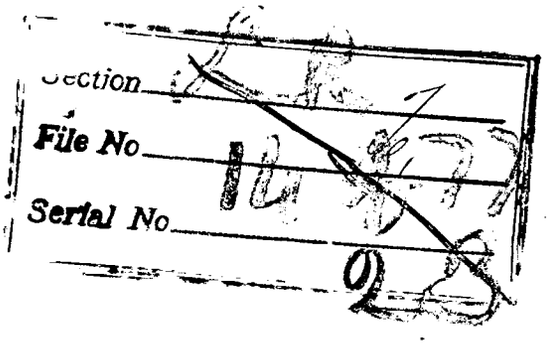
Camp No. C

From Mysore Judl. Commrs. Office
Camp Bangalore, Dated the
4th February 1879

To

The Judicial Commissioner
in Mysore.

The Secretary to the
Chief Commissioner of Mysore
Bangalore.



S.R. 6.2.78 Sir,

With reference to your letter No. 9600/178 dated the 31st ultimo, I have the honor to state that Act I of 1879, "the New Stamp Act" extends by the force of its own terms to Coorg, which is part of British India; and to add that I think it is certainly desirable to introduce the Act into Mysore with effect from the 1st April 1879.

2 — The notification should simply, I think, be in the following terms, viz,

"The Viceroy and Governor
"General in Council is pleased to
"declare that the Indian Stamp
"Act 1879 shall extend to the
"territories of Mysore with effect
"from the 1st April 1879, with the

following modifications, viz;

"Wherever the words "British India"
occur in the Act, the words "Territories of Mysore"
shall be read in their stead.

"Paragraph 171 of Section 3
shall be read as follows:—

"Chief Controlling Revenue
Authority" means the Chief Commissioner
or such officer as the Chief Commissioner
may, by notification in the Official
Gazette, appoint in this behalf
by name, or in virtue of his office.

"Collector" shall the same section
shall be read as follows:—

"Collector" means a Deputy
Commissioner and any officer whom the
Chief Commissioner may, by notification
in the Official Gazette, appoint in this
behalf by name, or in virtue of his office.

"Section 46 shall be read
as follows:—

The Chief Controlling Revenue
Authority may state any case referred
to it under sections 45, or otherwise coming
to its notice, and refer such case
with its own opinion thereon to the
Court of the Judicial Commissioner
of Mysore, or other Court exercising
the functions of a High Court within
the territories of Mysore.

"The second paragraph
of section 46 shall be omitted."

3— It will also be
expedient

expedient to propose to the Governor General in Council certain exemptions under section 8 of the Act, with reference to Bills of Exchange and possibly cheques, drawn out of Imperial, and negotiated or paid in British India, and vice versa. But on this point the Chief Commissioner will probably wish to consult the Deputy Accountant General, who has hitherto, I believe, performed the duties of Superintendent of Stamps. And there is no reason why the notification of the introduction of the Act should be delayed for the notification of such exemptions. Notice of the introduction of the Act, should, I think, be published as soon as possible.

I have the honour to be

Sir,

Your most obedient Servant

W Maxwell

Judicial Commissioner.
